

Floral St Saviour meeting 28 February 2015 at 11:00 in St Saviour's Community Centre

Present: Andrew Courtney (Chair), Vic de Garis, Marybell Norman, Victoria Kinnersley, Jackie Duquemin, Sharon Williams, Jane Carter

Apologies: Geoff and Sue Chapman, Michaela Guilmoto, Lena Chesney, Bon and Margaret Martel

ITEM	NOTES	ACTION
Planning	<p>The purpose of the meeting was to follow up on the action points from January's meeting:</p> <ul style="list-style-type: none"> • Fertiliser – 2 large tubs of fish, blood and bone have been purchased and are in the Floral St Saviour's HQ shed. • Formal bed – Vic and Andrew had met with Nigel Clark who had suggested creating half moons on the face by moving some Hebe from the top (this had been done before the meeting by the Working Party). The gaps can be filled with colourful perennials such as Gazanias. The gaps on top can be filled with taller shrubs, perhaps Hydrangea, which still allows the view through to the field behind. • Douzaine Room and Constables Office – we will replace the wooden planter in front of the temporary Constables Office with a manger and add a window trough below the window on the east side. Three mangers will be placed on the wall alongside the new wheelchair ramp leading to the Emergency Exit (they will be above shoulder height and not cause an obstruction). All will be added to the existing irrigation system. • Floral HQ planters – Marybell has found suitable pots to replace the re-cycled tyre planters at a cost of £160, expenditure agreed. • Area between Emergency Exit and Sensory Garden – Andrew and Vic had met Nigel Clark to discuss this. The outcome is we will install a ground level bed created in which climbing plants will grown up trellising to hide the blank wall behind. Access for maintenance etc will be allowed between the new bed and the wall. 	

	<p>Courtil Sous L'Eglise</p> <ul style="list-style-type: none"> • Andrew reported that the information board design is almost finalized and permission to install it has been submitted to Environment. It will be placed just inside the new entrance at the top of the ramp. • Ric David from Wakefield Tree Services has created the 'throne', free of charge, out of the tree stump at the bottom of the ramp. • The bench for the mid-level platform on the ramp, paid for by the Constables, has arrived and will be installed during March. 	
	<p>Ste Apolline's Chapel</p> <ul style="list-style-type: none"> • Andrew contacted Liz Pirouet-Douglas to discuss budget requirements. £150 will be sufficient as there are only a few gaps to fill. 	
Reclaiming the NW Corner of the Community Centre field project	Andrew met Wakefield Tree Services on-site to discuss the work required and has received a quote. Treevolution are also going to quote. The figure should be manageable within the overall budget.	
Floral St Saviour Walk publicity	Sue had sent examples of the Living Streets walk cards which contain a map, advertising for a local restaurant and a picture of something interesting to see on the walk. Andrew will approach L'Auberge du Val to see if they might be interested in sponsoring our walk leaflet.	Andrew
Liberation Day Parish celebration	Sir de Vic Carey has agreed to perform the opening ceremony at Courtil Sous L'Eglise.	
Fund Raising	We will be able to sell the logs from the tree felling after they have dried out. This will be for next year.	
	<p>The meeting closed at 11:45.</p> <p>Next meeting 28th March 2015 at the Community Centre during the regular Working Party session.</p>
