Church Property Management Board	<p>It was noted that there has been some discussion with the various parishes and the Law Officers concerning the Composition of Church Management Board after their production of a Parish Manual. The manual stated that the Legislation does not provide for a Church Management Board to hold funds. Clarification on this point had been sought and although the legislation is otherwise silent on this matter it was the general view that the Management Boards should not hold funds.</p> <p>After discussion it was agreed that the funds currently held by the Management Board within the Preservation Contingency Fund should be moved under the control of the Constables. It was noted that the remaining funds held by the Management Board had been approved by the Douzaine and would be utilized within a 12 month timeframe.</p>	
Food Waste	<p>PC advised that the email with the subject 'A better and cheaper way to deal with parish food waste' from Deputy Meerveld has been circulated.
