## **St Saviour (Control of Moorings) Ordinance 1985**

### **The Committee's Policy for Allocation of Moorings**

1. **Objects**
  - (a) To protect the interests of Mooring Holders in Perelle Bay.
  - (b) To represent Moorings Holders of St Saviours.
  - (c) To represent Parishioners' interests with regard to Moorings in the Parish.
  - (d) To execute the Committee's duties as set out in the above Ordinance.
2. Any person wishing to make use of a Mooring in Perelle Bay must apply using the Application Form approved by the Committee for that purpose. Copies of the Application Form are available from members of the Committee.
3. Moorings will be allocated to applicants on a "first come first served" basis, but always having in mind St Saviour's Parishioners initially and the suitability of size and type of vessel to be used on a particular Mooring.
4. Mooring Holders must advise the Moorings Committee of any change to the vessel or other details included in the application.
5. Moorings are allocated by the Committee and cannot be sold or passed on, or loaned to another user by the Mooring Holder.
6. Deadmen and ground tackle remain the property and responsibility of the Mooring Holder and may be sold or removed by that person.
7. At all times of the year Moorings shall be marked by the Mooring Holder by a floating marker which shows clearly at high water on a spring tide.
8. If a Mooring is not used for at least two months during any calendar year the Committee reserves the right to cancel the allocation and to re-allocate the Mooring to another applicant.
9. A Mooring Holder who is unable to use his Mooring for an extended period within any year may sub-let the Mooring. He may do this by writing to the Moorings Committee at the above address giving the name, address and type of vessel of the proposed lessee. The Committee reserves the right to accept or reject the application and may sub-let the Mooring to another person who is on the waiting list.

10. Any such sub-let will be allowed only once and for the remainder of the Calendar year. Any further applications to sub-let, or any sub-let without the approval of the Committee may invoke withdrawal of the allocation.
11. All Mooring Holders are required to sign and return one copy of this Policy to the Moorings Committee. It is incumbent on all Mooring Holders to ensure that they keep themselves aware of the Policy in place together with any amendment agreed by the Committee.
12. Mooring Holders must be aware that the Committee's powers in respect of granting and revoking mooring allocations are absolute and that the Committee reserves the right to act contrary to this Policy where circumstances demand it.
13. **Insurance**  
All Mooring Holders must ensure that they carry insurance appropriate to their vessel and must at least include third party cover. **A copy of the insurance certificate must be lodged with the Committee before the vessel is put on the mooring each year.** The Committee accepts no responsibility for any negligence or neglect of this by any Mooring Holder.
